Kelly reported that the board continues to develop and decide on new guidelines and procedures for tuition assistance. Will continue to update the council as these changes are decided.
- VI. Old Business
 - a. Parish Building Renovation Discussion
The questioner was reviewed again by the council and it was noticed that the parish proper space was not included in the form and should be added. The council continues to think that the questioner is a great review tool.
- VII. New Business
 - a. Hospitality Ministry
The ministers should make sure that they greet and welcome all parishioners into the church. It is also important that all ministers should notify the church if they are not able to complete their assignments. A system should be put into place for this process.
 - b. Mission/Vision Statement
This should be rewritten to include the concept of stewardship. A sub-committee will be developed to address this.

c. Music Ministry

Jay will be leaving as Director of music and liturgy to take a different job. He will continue to be a part of the music ministry team. We wish Jay well in this new position. A new Director is currently being interviewed and will be in place soon. Jay will remain in his position until the end of the month.

VIII. Closing Prayer was led by Fr. Chad

Next meeting will be held on December 16th at 6:30 p.m.

Respectfully submitted by Pam Treib
